18th December

$$12 + 18 \div 6$$

$$19\overline{)3230}$$

Olivia records the make of some cars in a car park.

Make	Frequency
Ford	8
Mazda	14
Volkswagen	21
Fiat	20
Honda	9

Olivia wants to draw a pie chart

What size should the angle be for Mazda?

What size should the angle be for Fiat?

Gina cycles a distance of 20 miles.
Wendy cycles a distance of 30 kilometres.

Using 1 mile = 1.6 kilometres

Work out who travels futher.
