Name: _____ Primary 5-a-day Gold

26th June

Simplify $\frac{8}{30}$

$3948 \div 6$

Find the total number of people living in these four cities.

City	Population
Brighton	273,369
Preston	190,687
Birmingham	1,224,136
Telford	166,641

In a bag there are red, green, pink and white beads.

Altogether there are 80 beads.

There are 23 red beads.
There are an equal number of green, pink and white beads.

What fraction of the beads are white?

Gareth chooses a **square number**

He rounds it to the nearest hundred.

His answer is 200.

Write a possible square number that Gareth could have chosen.
