Bristol City play some football matches

Here are the results

How many matches did they **draw**?

8

How many matches did they play in **total**?

$$\begin{array}{r} 14 + 8 + 12 \\ = 34 \end{array}$$

The children at Highfield School are collecting money for charity.

Their target is £200

So far they have collected £135

How much **more** money do they need to reach their target?

$$\begin{array}{r} 200 - 135 \\ = \underline{\underline{65}} \end{array}$$
