

30th May

$$319 \div 11$$

$$\begin{array}{r} 029 \\ 11 \overline{)3199} \end{array}$$

29

$$1.2 \div 10,000$$

0.00012

Anthony has 30 shapes  
26 of the shapes are green.  
75% of red shapes are squares.  
There are twice as many squares than circles.

	Red	Green
Square	3	17
Circle	1	9

There are 37 houses in a street.

Jessica says "there are three as many houses to the **left** of our house than to the **right** of our house."

How many houses are to the **left** of Jessica's house?

27

Find the value of  $a$

$$2a - 17 = 31$$

$$2a = 48$$

$$a = 24$$
