Name: _____ Primary 5-a-day Bronze

14th September

15×0

0

$100 - 41 = 30 +$ 29

59

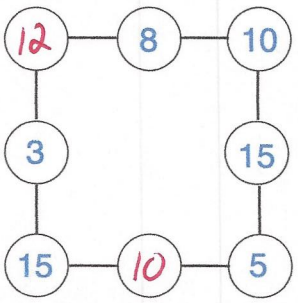
100 − 41 = 59

59 − 30 = 29

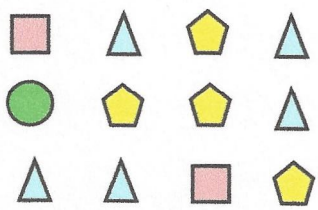
29

In the diagram, three circles in a straight line **add to 30.**

Write in the missing numbers.



Complete the tally chart



Shape	Tally
Circle	1
Pentagon	1111
Square	11
Triangle	~~1111~~

Michael has 40p
Dennis has 80p

How much money should Dennis give Michael so that they have the same amount?

80 − 40 = 40p

40 ÷ 2 = 20p

20p
