Name: _____ Primary 5-a-day Bronze

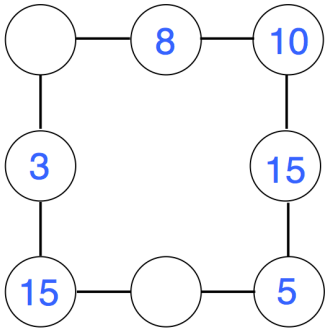
14th September

15×0

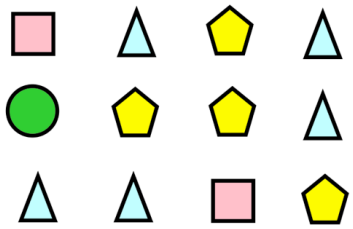
$100 - 41 = 30 + \square$

In the diagram, three circles in a straight line **add to 30.**

Write in the missing numbers.



Complete the tally chart



Shape	Tally
Circle	
Pentagon	
Square	
Triangle	

Michael has 40p
Dennis has 80p

How much money should Dennis give Michael so that they have the same amount?
