10th March

8,305 + 1,956

Find the area of this triangle

Put these measurements in order from largest to smallest

2kg, 8000g, 0.9kg, 75g, 0.09kg

William is thinking of two numbers. Both numbers are square numbers greater than 1. The sum of the numbers is 100.

Write down the two numbers.
