

22nd March

$$1\frac{1}{3} + \frac{1}{2}$$

$$-18 - 25$$

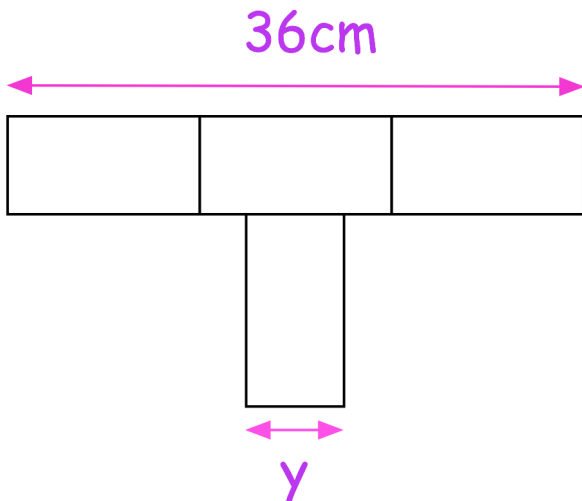

Adam is organising a charity concert at school.
 The concert is sold out.
 The hall holds 35 rows of 42 seats.
 Each person pays £18

How much money will Adam raise for charity?

Here is a shape made from 4 identical rectangles.

The total area is 336 cm^2
