4th May

| \[
\frac{7}{12} - \frac{5}{12}
\] | \[
6,060 - 301
\] |
|---|---|

Here is part of a number sequence.
The numbers in the sequence increase by 30 each time.

60 90 120 150 ...

Circle all of the number below that will appear in the sequence

195 210 220 250
300 333 390 400

Super Bowl LIII will take place in 2019.

Write LIII in **figures**

Write in the missing digits

\[
\begin{array}{c}
2 \square 2 \\
+ \square 2 \square \\
\hline
8 0 0
\end{array}
\]
