

19th October

$39 + 22$

$$\begin{array}{r} 3 \quad 9 \quad 6 \\ \hline \end{array}$$

A school canteen sells sandwiches with different fillings. They are either white bread or brown bread.

This table shows the sandwiches sold on one day.

Filling	White	Brown
Egg	15	7
Ham	8	10
Tuna	20	3
Chicken Tikka	14	14

How many ham sandwiches on white bread were sold?

How many egg sandwiches were sold?

How many brown bread sandwiches were sold?

Which filling was the most popular?
