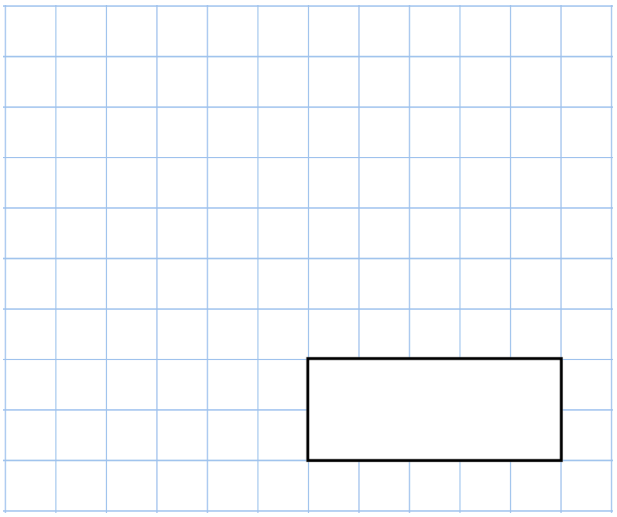
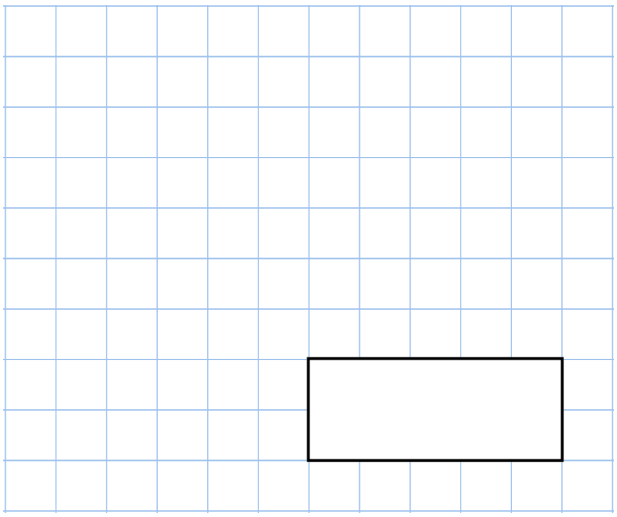
Name: _____ 5-a-day Bronze

8th August

$450 - 11$



$\frac{1}{2}$ of 36



Here are the lengths of 3 rivers

River	Length in miles
Bann	80
Thames	215
Tay	117

Write the names of the rivers in **order** of length. Start with the longest.

Work out the **difference** in length between the River Bann and the River Tay.

Write 6 in Roman numerals
