

**6th February**

$9 \times 0$

3	4	2
---	---	---

There are 49 people on a bus.

At the next stop

- 20 people get off the bus
- 17 people get on the bus

How many people are now on the bus?

Write the number **six hundred and ten** in figures

Write a digit in each box to make the addition correct

8		+		=	9	5
---	--	---	--	---	---	---
