

24th May

$$\begin{array}{r} 46 \\ + 25 \\ \hline \end{array}$$

$$3 \overline{) 54}$$

Mark the point on the line that is 3cm from m

Here are three number cards.

1 4 9

Niall uses each card once to make a three-digit **odd** number.  
He places the 9 in the hundreds column

Write a digit in each box to show Niall's number.

Rory has to see the doctor at 11:10am

He gets to the doctor's surgery at 10:53am

How many minutes early is he?
