Name: _____ 5-a-day Bronze

29th September

$40 \div 8$

70×3

Write the number which is half of 134

Write these numbers in order, starting with the smallest

502 1052 520

205 250

A fish tank contains 200 litres.
When cleaning, Jack pours out 140 litres.

How many litres are left in the tank?
