

10th December

	8	0	0	9	1
+	3	2	3	9	2
	<hr/>				

$$29 \times 97 = 555 + \boxed{\phantom{000}}$$

County	Area
Norfolk	1,300,000 acres
Rutland	100,000 acres

How many times larger is the area of Norfolk than the area of Rutland?

Calculate the size of angle x

In June, Spencer collects 3, 4 or 5 strawberries from his greenhouse.

In the first 18 days, Spencer collects 74 strawberries.

What is the **lowest** number of strawberries that Spencer can collect in June?
