

Name: _____

5-a-day

Gold

27th February

$$34,280 - 5,703$$

$$\square^2 + 3^2 = 45$$

Hailey has three pieces of rope.
The pieces of rope are 2.35m, 1.9m and
4.08m.

Work out the total length of the pieces of
rope.

Grapes cost £4.80 per kilogram
Blueberries cost £8 per kilogram

Work out the **total cost** of 250g of grapes
and 100g of blueberries

Find the length of the missing side
