13% of 800

Grid area for working out 13% of 800, with an empty rectangular box for the answer.

Simplify  $\frac{168}{216}$

Grid area for working out the simplified fraction, with an empty rectangular box for the answer.

A factory makes 20,000 bottles of lemonade.  
Each bottle contains 600 millilitres.  
  
How many litres of lemonade does the factory make?

Grid area for solving the word problem.

Shannon thinks of a number.  
She **multiplies the number by 6** and then **subtracts 70** from the result.  
  
Her answer equals the number she started with.

Grid area for solving the algebraic problem.

Here is a regular pentagon inside of a regular hexagon.  
  
The perimeter of the pentagon is 1.2m  
  
What is the perimeter of the hexagon?
