

7th December

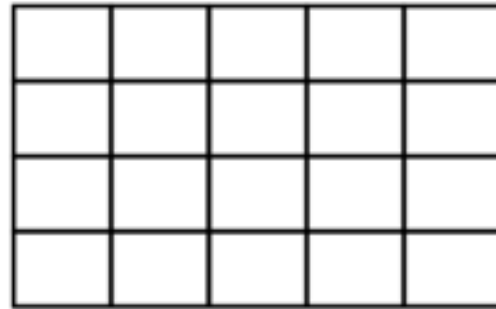

55×10

$8.2 - 4.8$

Shade in $\frac{3}{5}$ of the grid.

Draw an obtuse angle

Abdul has a bag of 50p coins and a bag of 20p coins. Both bags have the same amount of money in.

Abdul has 20 coins in the 20p bag.

How many coins are in the 50p bag?
