

27th July

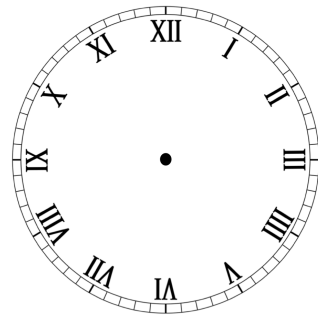

$$100 \times 10 \times 9$$

$$132 \div \square = 11$$

Work out the perimeter of the rectangle

Lee finished school at 14:45
 He gets home 35 minutes later.
 Show the time Lee gets home on the clock

In the circles, write a multiple that belongs to each set

numbers from 1 to 49	multiple of 10	30
numbers from 50 to 99	multiple of 30	
numbers from 100 to 149	multiple of 15
