

24th November

$6 \overline{)522}$

$$\frac{1}{5} + \frac{1}{5} + \frac{1}{5}$$

Josie buys a notebook that cost £6.45 and a pen that costs £1.19.

Work out the total cost.

A is the point (2, 2)

Plot the point A

B is the point (3, 5)

Plot the point B
