22nd December

$$\begin{array}{r} 17 \\ 2 \overline{) 34} \end{array}$$

17

$$50 \div 5 = 35 - \boxed{25}$$

10

25

Here are the lengths of 3 rivers

River	Length in miles
Bann	80
Thames	215
Tay	117

Write the names of the rivers in **order** of length. Start with the longest.

Thames
Tay
Bann

Work out the **difference** in length between the River Bann and the River Tay.

$$\begin{array}{r} 117 \\ - 80 \\ \hline 37 \end{array}$$

37

Write 8 in Roman numerals

VIII
