

Name: \_\_\_\_\_

Primary 5-a-day

Bronze

19th December

5 × 5

<input type="text"/>
----------------------

The children at Highfield School are collecting money for charity.

Their target is £200

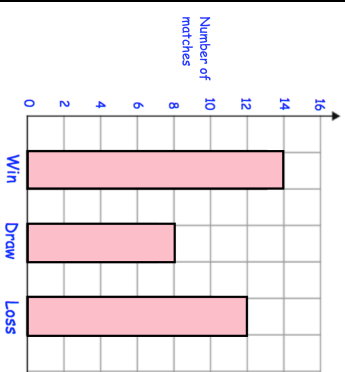

So far they have collected £125

$\begin{array}{r} 93 \\ - 38 \\ \hline \end{array}$ <input type="text"/>
--------------------------------------------------------------------------

How much **more** money do they need to reach their target?

Sheffield United play some football matches

Here are the results

How many matches did they **lose**?

How many more matches did they **win** than **draw**?
