

Name: _____

Primary 5-a-day

Gold

1st May

Simplify $\frac{21}{28}$

Blank grid for simplification work.

$$\begin{array}{r} 30 \\ 30 \overline{)4290} \\ \underline{30} \\ 1290 \\ \underline{1200} \\ 900 \\ \underline{900} \\ 0 \end{array}$$

Blank grid for simplification work.

Which is larger?

78% or 0.8

The square A is translated **2 right** and **1 down**

Draw the square in its new position

Plot the point $(-4, 1)$
