

Name: _____

Primary 5-a-day

Gold

25th March

$$\frac{\square}{7} = \frac{24}{42}$$

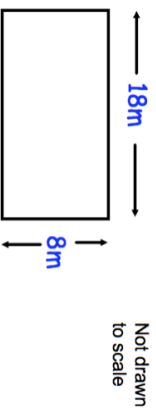

$$1.25 \times 1,000$$

<input type="text"/>

<input type="text"/>

Rosie says that 21 is a prime number.

Is Rosie correct?

Mrs Jenkins is a chicken farmer.
Her chicken pen is 18m long and 8m wide.
Each chicken needs 3m²

How many chickens can Mrs Jenkins keep?
