Primary 5-a-day

Platinum

16th March

$$35\% \times 120$$

$$\frac{\begin{array}{|c|} \hline \square \\ \hline \end{array}}{180} = 0.1$$

Each quadrilateral has a perimeter of 32cm.

Complete the table

	Side Lengths			
Rectangle	10cm	6cm	10cm	6cm
Rhombus	8cm			
Parallelogram	11cm			
Kite	9cm			

Find the value of y

$$6y + 4 = 3y + 22$$

Shay has £1000 to spend on lemon trees and plum trees.

Each lemon tree costs £18  
Each plum tree costs £24

Shay buys 19 lemon trees.

How many plum trees can Shay buy?
