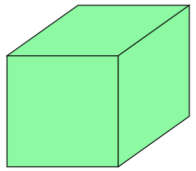
Name: _____ Primary 5-a-day Platinum

18th July

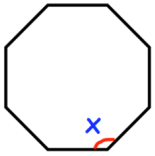
$22 \times 33 \times 44$

$0.5\% = \frac{\square}{\square}$

Work out the volume of this cube.



Shown is a regular octagon



Find the size of angle x

A farmer says she has 4,500 chickens to the nearest 100.

What is the greatest possible number of chickens that he has?
