$$7.8 + 1.9$$

<div style="background-color: #e0e0e0; width: 100%; height: 100%;"></div>
---------------------------------------------------------------------------

Three classes at a primary school collected some money.

In Class 1, how much more money did the girls collect than the boys?

The chart shows how much money the boys and girls collected.

How much money did the boys collect altogether in classes 1, 2 and 3?

The numbers in this sequence increase by 30 each time.

70 100 130 160 ...

Which number in the sequence is **closest to 350**?
