

Name: _____

Primary 5-a-day

Silver

12th November

$$802 - 37$$

$$\boxed{} = 923 + 269$$

--

--

Holly is saving money.

In January she saves £17.82
In February she saves £26.33
In March she saves £9.87

Work out how much money Holly has saved in total.

Write the correct symbol in each box

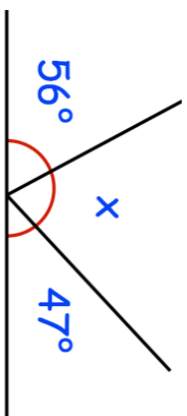

> = <

$$12 \times 12 \quad \boxed{} \quad 14 \times 10$$

$$80 \div 20 \quad \boxed{} \quad 75 \div 25$$

$$60 \times 4 \quad \boxed{} \quad 3 \times 80$$

Find the size of angle x
