

Name: _____

Primary 5-a-day

Silver

24th January

$$\frac{4}{11} + \frac{2}{11}$$

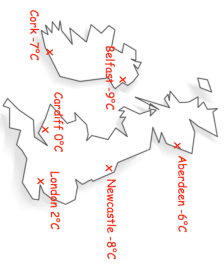

$$544 - 155$$

Grid for calculation

Grid for calculation

Write 0.25 as a percentage

Write 75% as a fraction

What is the difference in temperature between London and Aberdeen?

River	Length in kilometres
Nile	6,853
Thames	346
Mississippi	3,734

How much longer is the Nile than the combined lengths of the other two rivers?

This table shows the lengths of three rivers
