

Name: Answer

Primary 5-a-day

Gold

20th April

$$-24 + 31$$

$$\begin{array}{r} 798 \\ 9 \overline{) 71872} \end{array}$$

Write the number 700 in Roman numerals

DCC

Phoebe has some rectangles.
They each measure 32cm by 9cm.

She makes this design with six of the rectangles.

Work out the lengths x and y

$$y = 23\text{cm}$$

$$x = 59\text{cm}$$
