

14th June

Simplify $\frac{3}{15}$

2 5 | 4 1 0 0

List the factors of 32.

A number in Roman numerals is LV
Write LV in figures

3 students sit a test.
The total for the test is 80 marks.

Emily got 60% of the 80 marks
Rebecca got $\frac{5}{8}$ of the 80 marks
Roisin got 57 out of 80 marks

Put the students in order, starting with who scored the most marks
