Primary 5-a-day

Ruby

2nd December

$1 + 1 =$

2

$5 + 7 =$

12

Half of 10 is

5

$17 - 4 =$

13

Write in the missing numbers in this pattern.

12

10

8

6

4

Write the number **fourteen** in figures.

14

Carter has 5 apples.

Logan has 8 apples.

Finn has 3 apples.

How many apples do they have altogether?

$5 + 8 + 3 = 16$
