

Name: _____

Primary 5-a-day

Ruby

20th January

$4 - 1 =$

$10 - \quad = 3$

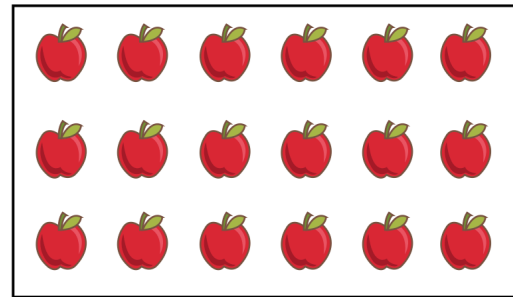

$5 + 5 + 5 =$

$6 + 8 =$

There are 18 apples in a box.

7 apples are eaten.

How many apples are left?

Count up in fives.

5

10

Write a number in each box to make a correct calculation.

+ 8 +

= 17
