

Name: _____

Primary 5-a-day

Ruby

24th June

$6 - 2 =$

4

$6 + 6 =$

12

$10 -$

9

$= 1$

$2 + 2 + 2 + 2 =$

8

Put a tick (✓) above the dog that is 1st in the line.

start

end

Write four **different** numbers in the boxes to make these correct.

$\boxed{10} - \boxed{9} = 1$

$\boxed{5} - \boxed{4} = 1$

Isabel has 14 books.

Lexi has 5 books.

How many toffees do they have altogether?

$14 + 5 = 19$
