

Name: _____

Primary 5-a-day

Emerald

11th July

$$\boxed{20} + 10 = 30$$

$$95 - 21 = \boxed{74}$$

		9	5				
		-	2	1			
			7	4			

Circle the odd numbers.

46

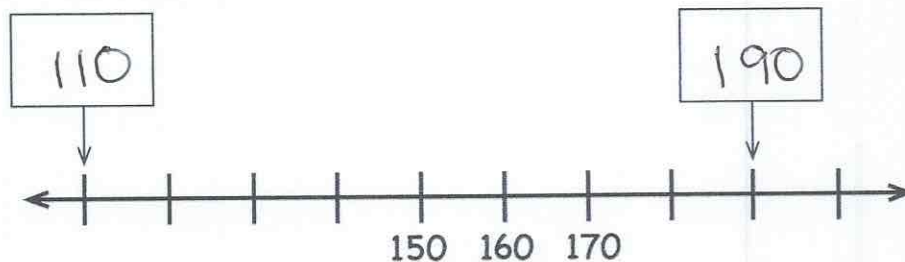

73

100

5539

62

The number line is going up in tens.
Write the missing numbers.

Declan makes 50 cupcakes.

He sells 21 of the cupcakes.

How many cupcakes does he have left?

$$50 - 21$$

$$\boxed{29}$$
