

Name: _____

Primary 5-a-day

Diamond

5th April

$4 \div 2 =$

2

$11 \times 10 =$

110

Write the number
one hundred and twenty-six
in figures.

126

Miss Jones has 40 sweets.

She shares the sweets equally
between 5 children.

Complete the number sentence to
show how many sweets each child
gets.

$$\boxed{40} \div \boxed{5} = \boxed{8}$$

Max has 18 pets.

$\frac{1}{2}$ of the pets are fish.

9

Max has 5 cats.

The rest of the pets are rabbits.

How many rabbits does Max have?

$$9 + 5 = 14$$

4
