Primary 5-a-day

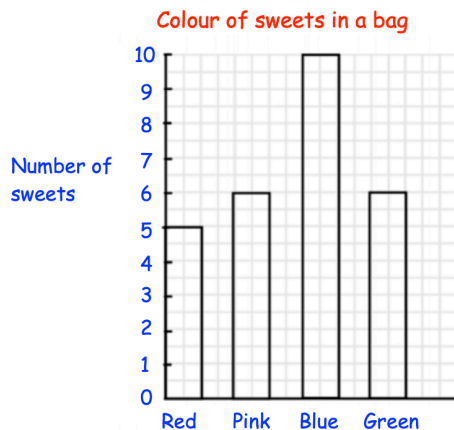

Diamond

26th April

$10 \div 5 =$

$\frac{3}{4}$ of 40 =

How many blue sweets are in the bag?

	Age
Daisy	58
Emma	42
Hannah	25
Isaac	18
Jackson	81

Work out the difference between Daisy's age and Hannah's age.

Astrid has 6 packets of balloons.

Each packet has 10 balloons.

Astrid blows up all of the balloons.

27 of the balloons pop.

How many balloons are left?
